

# GREENFROG COMPUTING REFERRAL PROGRAM

## Refer us

Join our referral program and benefit from working with a team of highly skilled IT consultants and experts who can deliver a wide range of services from SaaS solutions to IT Security accreditations and Support contracts.

## IT Support Referrals

**IT Support and supplement products (including our 'Minimum standard' IT Bundles)**

### For Existing Customers

For those who are an existing Greenfrog customer, depending on the choice of the referrer, 7.5% of the new clients monthly recurring revenue can be deducted from their existing recurring billing for a maximum of 6 months, capped at a maximum of 50% reduction in any 6-month rolling period: or a single one-off sum to the individual or the company of 7.5% of the 6-month recurring invoice total.

### For Suppliers or External contacts

For those who are external to Greenfrog or are a supplier to Greenfrog, a total of 7.5% of the 6-month recurring invoice total will be paid as a one-off sum to the individual or to the company, depending on the referrers choice

### For network contacts

For those with an existing or past networking connection to Greenfrog (including BNI, ScreenPop, 4n etc), no further incentive or reward given unless they also fall into the Greenfrog 'customer' category, in which case the above applies.

## SaaS Referrals

**SaaS products only (including M365, 'GF Cirrus', Azure products, DocuSoft Solutions, Microsoft Dynamics 365 products, Power Apps etc)**

SaaS sales will operate under the same qualifications as above, however allowing up to a 10% value payment under the same terms, depending on the value of the commission sale to Greenfrog for SaaS products will determine what percentage up to 10% will be paid, this will be up to Greenfrog's discretion.

Any and all payments regardless if it is for SaaS sale or for the core IT Support products will be made once the new client is onboarded as a customer and has been with Greenfrog for at least 6-months.
